Environmental Walk

Dear Parents,

Next week, as part of our Hazelbury Learning Quest this half-term, the children are currently reading the book *'The Three Little Pigs'* and we will be taking the children on an environmental walk down Hazelbury Road to look at different types of houses. They will be developing maths and language skills through talking about the shapes of different features of a house, for example, square window, rectangle door, and so on. They will also be learning about road safety and how to keep safe when out and about.

The children will be going out in groups of six with two adults accompanying them, and will be using the school stroller which fits six children sitting. They will not be walking once off school premises. If you prefer for your child to stay at school please let a member of the Terrific Twos staff know.

Yours sincerely,

Alexia Hilas

Early Years Assistant Headteacher
